

New this upcoming Season!

This summer brought many improvements to our ranch! The complete restoration of Casa Rosa went beautifully, and we are excited to show off these improvements to our guests. The bathrooms were fully refurbished and adorned with beautiful Mexican tile, new cabinetry, and yes...new bathtubs. We carried over this bathroom remodel to rooms 45 and 46 in Cottage 4, bringing us very close to completing our cottage upgrades that we began 4 years ago! We also added solar panels in Casa Rosa for the hot water and over at the swimming pool as we continue our quest to be more energy efficient.

At the corrals, we have completed the installation of a new covered arena and we can't wait to put it to use! We will use this area for those rainy days when guests would prefer to stay dry, as well as for lessons, horsemanship clinics, our Monday morning riding orientation and for training with our horses.

We look forward to welcoming you all back to the ranch for our 92nd year!

Update from Los Corales

Our monsoons started right on time this summer, replenishing our pastures with lush forage for our horses and refilling our stock ponds. We can never underestimate the importance of these rains for the health of our horses and for all the wildlife our property supports.

Our ranch-bred youngsters are continuing their training, and are closer to being introduced as guest horses. Boomer, Mima, Martina, Corona and Lavina are well on their way and will be ready for guests soon. Aztec, Charles, Bourbon, Comet and Louie, our 3 and 4 year old's, are all being worked under saddle and are getting the miles they need to become willing partners for our guests. Our two yearlings, Cocoa and Apollo, will start their ground training this winter. The two colts born this spring are in the mare pasture with their moms and are both healthy. It is great seeing these young ones come of age and we are so grateful to our staff for nurturing them along!

Our Staff

We are so fortunate to have the majority of our staff returning this season! Our wonderful cooks Gail and Nancy will be whipping up their delicious meals, and they will be joined by our new cook Bubba. Bubba comes to us from the CM Ranch. Daniel will be back as our kitchen aide, and Jenna, Thelma, and Ashley will be in the dining room. We will welcome Colleen to the waitstaff, and she comes to us from the Flying E Ranch. Heather and Carmen will be back in housekeeping. We have a new groundsman Justin, also from the CM Ranch, who will help with the cookouts as well. All of our wranglers are returning: Maddie, Johnny, Kelly, Alice and Tavo. And of course, the Lortas will all be back to keep the ranch in order!
